

Appendix B: 9-Country EPR Registration Comparison Table

Registration authorities, timelines, and costs at a glance Applies to: all sellers of packaged goods into 9 EU markets

Key Information

Important: There is no single "EU-wide" EPR certificate. You must register in each country separately.

Country	Registration Authority	Number Format	Avg. Processing Time	Est. Annual Cost	Marketplace Requirement
■■ Germany	LUCID / various PROs	Assigned by PRO	2–4 weeks	€200–800	Mandatory, 2026.08.12
■■ France	Citeo / various PROs	Assigned by PRO	2–6 weeks	€300–1,200	Mandatory
■■ Italy	National Registry / MAEC	Assigned by MAEC	3–6 weeks	€200–600	Mandatory
■■ Spain	Regional PROs	Assigned by PRO	2–4 weeks	€150–500	Mandatory
■■ Belgium	Packaging Registry	Assigned by PRO	2–4 weeks	€200–600	Mandatory
■■ Netherlands	NAP System	Assigned by PRO	2–4 weeks	€200–600	Mandatory
■■ Ireland	EPA Registration	Assigned by EPA	4–8 weeks	€300–800	Mandatory
■■ Poland	Producer Registry	Assigned by PRO	2–4 weeks	€150–500	Mandatory
■■ Sweden	Producer Responsibility Org.	Assigned by PRO	2–4 weeks	€200–600	Mandatory

Country-Specific Registration Notes

Germany (LUCID)

- **Characteristics:** Most mature process, fully online registration available
- **Required documents:** Company info, product category, estimated packaging weight
- **Notes:** You must choose a PRO (e.g., Der Grüne Punkt, Landbell, etc.)
- **Number format:** LUCID registration number

France

- **Characteristics:** Multiple PRO options (Citeo, Eco-emballages, etc.)
- **Required documents:** Same as above + French-language materials may be required
- **Notes:** France has the strictest packaging labelling requirements

Italy

- **Characteristics:** Longest processing time (3–6 weeks)
- **Required documents:** Italian tax code (Codice Fiscale) needed
- **Notes:** Consider using a service provider familiar with Italian requirements

Spain / Belgium / Netherlands / Poland / Sweden

- **Characteristics:** Relatively straightforward processes
- **Required documents:** Standard company and product information
- **Notes:** Number of available PROs varies by country; compare before choosing

Ireland

- **Characteristics:** Longest processing time (4–8 weeks)
- **Notes:** EPA reviews are thorough; allow extra buffer time

Recommended Registration Order

Register according to sales priority:

1. ■ **Germany** (largest EU market — register first)
2. ■ **France** (second largest — register second)
3. ■ **Italy / Spain** (third tier — register next)
4. Remaining 6 countries (based on actual sales volume)

Cost Estimate Example

Assuming annual sales of €500,000 with approximately 2 tonnes of packaging:

Country	Estimated Annual Cost
Germany	€400–600
France	€500–800
Italy	€300–500
Spain	€200–400
Belgium	€250–450
Netherlands	€250–450
Ireland	€400–600
Poland	€200–350
Sweden	€250–450
Total	**€2 800–4 600 / year**

Actual costs vary by packaging weight, material type, and PRO chosen. Use the template in Appendix D to request quotes from multiple PROs.

This table is compiled from official PRO information. Data current as of June 2026. Registration processes and fees may change; always verify with official sources.
