Dear [Name],

Thank you for the quotation. I have a few follow-up questions:

3. Do you assist with marketplace registration submission as well?
4. What is the penalty if we miss the annual reporting deadline?

Email Etiquette Tips

1. **Contact at least 3 PROs** per country for comparison
2. **Focus on:** processing time, language support, fee transparency
3. **Watch for hidden costs:** unusually low quotes may have hidden charges
4. **Confirm scope of service:** does it include annual reporting and marketplace submission?
5. **Keep written records:** all communications and quotes should be confirmed via email
