

Appendix G: 10-Day Action Timeline

Day-by-day action plan from start to completion Applies to: sellers who must complete PPWR compliance before 12 August 2026

How to Use

Follow day by day. Check off each item as completed.

Day 1–2: Confirm Scope

- ■ Read Appendix A (Scope Self-Assessment Checklist)
- ■ Go through each item to confirm whether your products are subject to PPWR
- ■ Identify target sales countries (select from the 9 mandatory countries)
- ■ Create a list of all countries requiring registration

Expected output: A country registration list

Day 3–4: Request PRO Quotes

- ■ Use Appendix D templates to contact at least 3 PROs per country
- ■ Request quotes for each target country separately
- ■ Compare prices, processing times, and service scope
- ■ Select the best PRO for each country

Expected output: Shortlisted PROs + price comparison table

Day 5–6: Prepare Registration Documents

- ■ Use Appendix C checklist to prepare all materials
- ■ Complete company basic information
- ■ Compile product information (category, packaging types, weight estimates)
- ■ Prepare sales information (channels, countries, fulfilment method)
- ■ If possible, send packaging samples for material testing (heavy metals, PFAS)

Expected output: Complete registration document package

Day 7–8: Submit Registration Applications

- ■ Submit registration applications to selected PRO(s)
- ■ Pay registration fees
- ■ Confirm PRO has received your application
- ■ Ask for estimated timeline to receive registration number
- ■ Set up progress tracking reminders

Expected output: Registration confirmation emails

Day 9: Parallel Prep Work

- ■ Check packaging void space (use Appendix E)
- ■ Review substance test results (if available)
- ■ Verify all required labels are present (Appendix E Part 4)
- ■ Prepare photos and documents for marketplace submission
- ■ Confirm compliance submission entry points on each platform

Expected output: Packaging compliance audit report

Day 10: Submit Registration Numbers

- ■ Receive EPR registration number(s)
- ■ Submit number to Amazon Seller Central (Account Health → Compliance)
- ■ Submit number to Temu / Shein / TikTok Shop (if applicable)
- ■ Save screenshots of all successful submissions
- ■ Set annual declaration calendar reminders
- ■ Open the Progress Tracker (Appendix H) and enter registration numbers

Expected output: All marketplace numbers submitted ■ + Progress tracker updated

Emergency Plan: If You Can't Meet 12 August

1. **Pause shipments** to affected countries
2. **Notify customers** of potential delays
3. **Contact PROs** for expedited processing
4. **Consider pivoting** to non-EU markets temporarily

This timeline is based on PPWR regulatory requirements and verified seller experiences. Actual processing times vary by country and PRO; we recommend building in buffer time.
